

THE HULL HANDBELL PROJECT

Promoting double-handed change ringing throughout East Yorkshire

Newsletter Number 12, October 2017.

News Roundup.

Quarter Peals

Out and about.

Older but no wiser in Hull

With Ros back in action and the bonus of Chris Munday, our first session in the month included some call changes on 12 as well as Plain Bob Major and Minor, and Kent TB Minor. A fun session, but with some serious learning points.

And the following week saw us ringing Plain Bob Minor and Major, Kent TB Minor and Plain Hunting on 10.

However, social commitments for Chris and Pete curtailed much ringing in the second part of the month.

Market Weighton and Sutton

Both suffered from the demands on Pete and Chris's time.

Barrow / Melton Ross,

Time pressures have curtailed our activities, but a practice session early in the month enabled Barry Peachey to ring his first course of Kent TB Major, and Heather Peachey to brush the cobwebs off Cambridge S Minor.
